BUSINESS HEALTH ASSESSMENT

Five bites of the apple — the five questions that find where the biggest win is hiding.

THE 60-SECOND ASSESSMENT

Tell us where the business is today, where you want it to go, and what stands in the way. Your answers shape a free evaluation — real findings, in writing, then you decide. No clock ticking, nothing to buy first.

1. What is the biggest thing limiting growth or performance right now?

- ☐ Scaling the business profitably
- ☐ Improving profitability and margins
- ☐ Defining a clear strategic direction
- ☐ Strengthening leadership and accountability
- ☐ Improving sales and business development
- ☐ Improving operational performance and execution
- ☐ Building scalable systems, processes and KPIs
- ☐ Creating stronger alignment across leadership, people, sales and operations
- ☐ Other: _____

2. If you could improve ONE outcome in the next 12 months, which creates the most value?

- ☐ Increase revenue
- ☐ Increase profitability
- ☐ Improve cash flow / financial performance
- ☐ Increase sales pipeline and conversion
- ☐ Improve productivity and operational efficiency
- ☐ Build or strengthen the leadership team
- ☐ Improve employee performance, accountability, retention
- ☐ Prepare the organization for its next stage of growth
- ☐ Other: _____

3. How confident are you that your team can execute the growth strategy?

- ☐ Very confident — execution is strong and consistent
- ☐ Confident — but there are a few gaps
- ☐ Somewhat confident — execution is inconsistent
- ☐ Not very confident — significant gaps exist
- ☐ Unclear — we need a clearer strategy and accountability structure

4. Where is the greatest untapped opportunity inside the business?

- ☐ Revenue growth / new business
- ☐ Existing-client growth and retention
- ☐ Pricing, margins and profitability
- ☐ People and leadership
- ☐ Operational efficiency
- ☐ Processes, systems and technology
- ☐ Market positioning / competitive differentiation
- ☐ I'm not sure — I need an outside perspective
- ☐ Other: _____

5. What would a winning partnership with DashRite Advisory look like?

- ☐ A clear growth strategy and roadmap
- ☐ Improved operational execution
- ☐ Better systems, processes and KPIs
- ☐ An objective assessment of the business and its opportunities
- ☐ A stronger sales and revenue engine
- ☐ Leadership development and accountability
- ☐ Profitability and margin improvement
- ☐ A combination of the above

WHAT HAPPENS NEXT

→ We read your answers and come back with a written first read — the free evaluation.

→ If we see something worth fixing, you get a scope in writing and one fixed number.

→ Built in the tools you already own, so your team runs it and it's yours when we leave.
